**NEWS RELEASE**

FOR IMMEDIATE RELEASE

**PAETEC Vice President, Larry Foster, Elected President of TEMIA**

**FAIRPORT, N.Y. – July 10, 2009** – PAETEC Software Corp, which produces the award-winning PINNACLE v6 software, announced that Larry Foster, vice president and general manager for PAETEC Software Corp., was elected to the post of President of the Telecom Expense Management Industry Association (TEMIA) at their annual meeting on June 8.

“I am honored to have the opportunity to serve as the second president of TEMIA,” said Foster. “TEMIA has demonstrated how the power of collaboration can influence the industry for the betterment of our customers. TEMIA is poised to build upon the successes we have achieved and help our clients' maximize their investments by streamlining their relationships with their technology supply partners.”

TEMIA is known as the authoritative voice for the Telecom Expense Management (TEM) industry. TEMIA's mission is to raise awareness and knowledge of the benefits of TEM solutions, to improve the quality and value of TEM solutions through the development and promotion of industry standards, and to cultivate shared industry knowledge among TEM providers, business partners, telecom service providers, and enterprise clients.
